Re: The Amazing Boris Evening at the Wyeth Regional Meeting

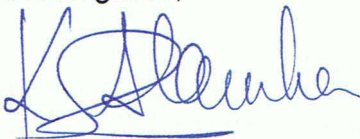

Dear Boris:

My colleagues and I want to Thank you once again for thoroughly entertaining us at the recent June 2009 Wyeth Pharmaceuticals Regional Sales Meeting at the Red Leaves Marriott Resort and Spa in Muskoka, Ontario, Canada. Your hypnosis show was lively, interesting and very funny to all.

My Colleagues and I were most impressed by your incredible talent with hypnosis and the show was both interactive and clean enough for a professional audience, something important to sales and marketing group. In addition, I believe we all learned something new and useful about human mind, both on and off stage.

We highly recommend your show "The Amazing Boris" for Corporate and private functions and would definitely use your services again.
