To whom it may concern,

I am writing this letter of reference for the comedy hypnotist The Incredible Boris. Boris performed for our students at our Holiday assembly. He provided our school with a fun, exciting, humorous 90 minute performance.

Every aspect of our dealing with Boris was easy. He was flexible with our booking and was able to adapt his show to fit our scheduling needs. His confidence and experience was visible from the moment he walked on stage. His interaction with students and his ability to read the crowd was exceptional. He was able to engage all students and audience members for the duration of the show and had everyone laughing hysterically!

I would recommend The Incredible Boris to anyone looking for a fun, safe, exciting assembly and would not hesitate to invite him back to our school in the future.

Sincerely,

Stephanie Cameron
