Our first meeting with Boris was a few years ago, when another entertainer we had slated for a party called and cancelled on us. I found Boris on the internet, and after a few short minutes on the phone, he agreed to drive from Toronto to Seneca Falls, NY on THAT DAY to help us out of our bind. This show was strictly entertainment, and entertain he did. We had about 100 people at our party, and the show was incredible. Boris provided good, clean fun without anyone being embarrassed! We still talk about that night!

Recently, we were looking for a motivational speaker for our company's quarterly award meeting, and we decided to give Boris a call! He traveled to our town, and his presentation was flawless. A company setting can be difficult to do, but Boris put everyone at ease, and while his performance was entertaining, his subtle inserts about positive thinking, teamwork, self-esteem, and thinking outside the box made this luncheon more than a boring quarterly meeting.

We highly recommend Boris whether you are hosting a purely fun evening or a corporate event with a motivational speaker who is so much more!

Thanks Boris, and we hope to see you again soon!
